DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on July 7, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicants elected a calcilytic compound but failed to elect an anti-resorptive agent. This latter compound is also required since applicant is claiming a combination for a synergistic activity. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
